Hi Kacy,

I just wanted to say how much of an awesome job you did with our wedding cake yesterday, it was simply awesome!

Everyone commented about how fantastic it looked and how delicious it tasted, people kept coming back for more!

It did look exquisite with the flowers and it looked exactly like the picture, right down to the colour shade of the icing, we could not have wished for a better cake. Thank you for being so willing to do whatever and make it how we wanted it and even deliver it, we will definitely be recommending you to people in the future.

Thanks again for all your efforts and for being so pleasant and friendly and everything. You have a fantastic business so all the best for the future with it.

Our kindest regards from Dwaine and Rachel

Hi Kacy,

Almost every comment we have had in regards to our wedding has included 'the cake'. I hope you don't mind but I have given out your website details to a number of people as they wanted to know who made the cake - it was absolutely delicious and exactly what we wanted - so thank you.

By the way - if I need a cake in the future for any occasion I am definitely coming your way.

Talk soon

Dear Kacy

Just wanted to say a very special thank you to you for the fantastic 'gluten free' engagement cake that you made for Lauren and Adrian on Saturday. The cake was a real hit both visually and taste - it is the first time I have seen people line up to have cake.

Many thanks

Leanne
